## FLASHBACK QUARTER HIGHLIGHTS

As we look back on the third quarter, we're grateful for how God has moved in our community. This season has been filled with growth, connection, and renewed energy.

Morning Happenings continues to expand! We launched Conversation Circle, offering short, facilitated conversations, while our Bible Study group continues to dive deeper into a quarter-long study on the Book of John. KIDSMIN welcomed Ali Carveth as their new administrator, and if you've walked the halls during Morning Happenings, you've likely heard the laughter and felt the energy coming from the KIDSMIN rooms as the kids learn more about Jesus. NXTGEN students had a great time at summer NVITEs, a serve workshop, and their Saturday morning Connects. Our Picnic in the Park event brought together families and friends for a day of fun and fellowship, and young adults found new inspiration through an outdoor church service and meet-ups. We're also excited that MomCo is back in full swing after a summer break! This group offers support and connection for moms in every stage of life. Newday continues to provide opportunities for everyone to deepen their faith and build lasting relationships.

Newday hosted another free farmer's market, a beautiful testament to the vibrant community we're creating together.

The biggest news this quarter is the addition of Kenneth Martinez, our new associate pastor. His passion for ministry is already making a positive impact, and we can't wait to see how God will work through him in the coming months and years.

We will continue growing and serving as we move into the next season. We are excited for our upcoming serve opportunities (ThankFULL and the Christmas Store) PLUS our Christmas Offering. Be sure to stay connected by filling out a connect card to subscribe to our weekly e-newsletter!

## TOGETHER IN MISSION

At Newday, mission looks like growing together as followers of Jesus, learning to love God more, serve people better, and create environments where the next person finds God. Your financial gift of any size helps make everything we do possible. The invitation to give is an invitation to mission!

To give, scan the QR Code or use the giving kiosk in the lobby.
