A SEASON OF CONNECTION AND BELONGING

We were created for connection and belonging. We feel it and know it deep inside, yet we live in a culture where loneliness is an epidemic.

Here at Newday, people matter and we want the first steps in finding connection and belonging to be simple and easy. **Whether you're new to Newday or have called Newday home for years, we invite you to make it a goal to get to know one new person during Q2.**

During Q2 at Newday, you'll find several simple ways to **take the awkward first step** in finding connection and belonging. Plan to participate in Grab&Stay, a monthly environment immediately following our worship experience where you can grab some food, stay a little longer, and get to know someone. Join a Conversation Circle at 10am or enjoy a light breakfast in our lobby each Sabbath morning. Shadow a ministry team or serve in our Cookout & Free Farmer's Market summer outreach. Participate in Young Professional gatherings and NXTGEN events. For more information or to take a first step, our hosts and pastors are available to help.

We invite you to find connection and belonging at Newday and we want to make that as simple as possible.
